Media Permissions

Be sure to account for any media **not** created by the submitter. If Internet resources are listed, be sure to **keep track of the URL** in case you are asked to prove **Creative Commons** or **Public Domain** permission.

- ☐ My project contains sound effects or music loops from programs such as iMovie or GarageBand (those are allowed in a project).

Identify **each piece** of media used and then **check what type of permission** is claimed. Be prepared to prove to judges your permission, if asked (point to URL, license, etc.).

Identify the Media (Title or Description)	Creative Commons	Public Domain	FreePlay Music (EUSD License)	Written Permission from Author (include a copy)
